Under the heading 'Your Duty of Disclosure' the heading and entire section have been deleted and replaced as follows: Your Duty To Take Reasonable Care Not To Make A Misrepresentation Before you enter into this insurance with us, you have a duty to take reasonable care not to make a misrepresentation under the Insurance Contracts Act 1984 (Cth).

Duty of Disclosure

(Page 9)

Disclosure

Statement (Page 8)

The duty to take reasonable care not to make a misrepresentation applies until the contract is entered into (or renewed, varied, extended or reinstated as applicable).

Your duty to take reasonable care not to make a misrepresentation when you enter into the contract with us for the first time

Before you enter into this contract of insurance, you have a duty to take reasonable care not to make a misrepresentation. What that means is that you need to take reasonable care to provide honest, accurate and complete answers to any questions that we ask.

If you are not sure of the answers to any of our questions, you should take the time to find them. It is also important to understand that, in answering the questions, you are answering for yourself and anyone else to whom the questions apply.

If any of our questions are not clear to you and you need help, please contact us.

Your duty to take reasonable care not to make a misrepresentation when you renew, vary, extend or reinstate the contract

Before you renew, vary, extend or reinstate the contract of insurance, you have a duty to take reasonable care not to make a misrepresentation. What that means is that you need to take reasonable care to review the information included in your policy documentation (e.g. your renewal notice, Certificate of Insurance) and to inform us of any changes, where the information is no longer honest, accurate and complete.

If you are not sure if any of the information remains honest, accurate and complete, you should take the time to find out. It is also important to understand that, in reviewing the information, you are doing so for yourself and anyone else to whom the information applies.

If you need to inform us of changes to the information set out in your policy documentation e.g., your renewal notice,

Certificate of Insurance or if any of it is not clear to you and you need help, please contact us.

If you do not contact us, we will take it that you agree that the information remains honest, accurate and complete, so it is essential that you contact us if you have any doubts.

If you do not comply with your duty to take reasonable care not to make a misrepresentation

If you do not take reasonable care in answering our questions or inform us of changes to the information set out in your policy documentation, you may breach your duty. If that happens, your policy may be cancelled, or treated as if never existed, and any claim may be denied or not paid in full.

Calculating your premium (Page 9)

Under "Calculating your premium" the first paragraph has been updated with the following:

Your premium is calculated when your Bow Wow Meow Pet Insurance policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance. The premium for new policies is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen including whether you have chosen Routine Care, the Benefit Percentage applicable to the Cover you have chosen, the species, breed and age of your Pet and other factors related to our cost of doing business. These same factors may be used to calculate your premium when you amend your coverage.

Cooling off
period
(Page 10)

Under the heading 'Cooling off period' the entire section has been deleted and replaced with:

You have a full 30 days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your Bow Wow Meow Pet Insurance policy. This is known as the 'cooling off' period.

During this time you may cancel the policy simply by contacting us. If we receive your request to cancel your policy within the 30-day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since the policy Commencement Date (or renewal date) less any costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund.

If you have made a claim during the cooling off period and wish to cancel during the cooling off period, then any refund will be in accordance with provisions set out in 'Section 8 – Cancellations'.

After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in 'Section 8 – Cancellations'.

If you have a complaint (Page 12)

Under the heading 'If you have a complaint' the entire section has been deleted and replaced as follows:

Policy Terms and Conditions (Page 14)

In 'The Bow Wow Meow Pet Insurance Policy' section, the second paragraph is deleted and replaced with:

Your policy will continue for a period of 12 months from the policy Commencement Date unless cancelled by you under the cooling off period or cancellation provisions of the policy as explained in 'Section 8 – Cancellations'. We also have certain cancellation rights at law. For your convenience and to ensure continuity of cover for your Pet, we will automatically renew your policy each year (unless you have opted out of automatic renewals or contact us that you do not want to renew on the terms of the renewal notice) for as long as we continue to provide this product - refer to the 'Automatic renewal of your policy' section.

Automatic renewal of your policy (Page 14)

Replace this section with the following: Automatic renewal of your policy

We will offer renewal of your policy every year for so long as we continue to provide this product. At least 14 days prior before your current policy expires we will send you a renewal notice confirming when your insurance will expire and the premium and terms on which your insurance will automatically renew for a Policy Period. It will also remind you that you can opt out of the automatic renewal process and to check the limits of cover provided under the policy to see if your level of insurance cover remains appropriate for you.

Your Cover will be automatically renewed on the terms contained in the renewal notice (unless you have opted out of automatic renewals or contact us to tell us that you do not want to renew on the terms of the renewal notice) and we will deduct/charge the renewal premium from your nominated account/credit card. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms.

Every year, we review the cost of everyone's insurance with regards to a combination of factors as well as claims inflation across all our insured pets. These factors include your Pet's age, breed, location, claims history, as well as data relating to the health of Pets that are a similar age and breed. Your premium takes into account the average cost of care for Pets like yours. We may also change the terms and conditions of the policy upon renewal based on the risk associated with insuring Pets like yours.

Should you renew your policy, you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your Duty to take care not to make a misrepresentation. If you do not, we may reduce or refuse to pay a claim or cancel the policy.
